Dear friends,

Time goes by and another year has ended. This year has been full of activity, as usual, and I do not know where to begin. We have travelled to the Grand Canary in Spain, to a [pathfinder camp](#) in the summer where we flew, among other things, a hot air balloon, seen some wild animals at [Kolmården](#), including a snow leopard, and of course been to Romania and visit some relatives. Edith also went to see her parents over New Year to celebrate her fathers 80th birthday together we all her siblings. It was the first time all seven of them were in Romania at the same time since 1997.

We have also continued to redecorate our home through putting new floors and painting the walls in our bedrooms including a new wardrobe in the master bedroom. Of course, when you come by, you will find out that we have renovated our guestroom. Our next project will be the hallway upstairs and the laundry room and a sauna downstairs.

The most exiting this year has been to see Christoffer, 8 years old, and Alexander, 3 years old, growing and learning new things for each day which passes by. Christoffer can disappear into his room and just lie on his bed and read a book for an hour or two. Alexander has just discovered the art of playing games with people. Above all we are thankful to God that we still have our physical health and our faith. Time goes by, and I hope and pray that the time is near for our Lord Jesus Christ to return. Until than, come and visit us, keep in touch and God bless!
